# SYED SIBGHATULLAH QUADRI

Azure Administrator

📞 +91 8421031233    ✉ ssquadri195@gmail.com    📍 India

## Summary

Certified Azure Administrator with 2+ years of experience and 5 Microsoft Certifications. Proven expertise in Azure IaaS and PaaS. Having a good portfolio of projects on GitHub. Proficient in Azure, AWS, Linux, GitHub, HTML, Terraform, CI/CD, DevOps, SQL, Power Bi and Python. Actively pursuing opportunities in Cloud/Azure-related roles

## Work Experience

**Cloud Administrator-Azure**                                  Jan 2023 -  Present
**Synergist Software Solutions Pvt. Ltd. (Hybrid)**        Hyderabad,India

- Orchestrated the deployment, configuration, of IaaS resources like Azure Virtual Machines (RDP, SSH, Bastion), Storage Accounts (Blob, File share, SAS tokens), and Virtual Networks(P2P,P2S,S2S,Peering).
- Managed (IAM) Azure Active Directory (Entra), implementing MFA, SSPR, Bulk invite and Bulk add, Azure AD Connect, Configuring users, groups & RBAC
- Created and implemented Azure Load Balancer(NAT, LB Rules), and auto-scaling Solutions for Traffic distribution.
- Using automation scripts (PowerShell, Bash, Terraform, ARM templates) for Quick and uniform provisioning  of Azure Infra for testing environment.
- Perform system monitoring using Azure Network Watcher, Monitoring ,Activity Logs, Alerts, Application Insights etc.
- Configured Azure Recovery Service Vault & Azure Backup with Geo-Redundant Storage for cross-region backups
- Optimizing Azure Infra to minimize cloud expenditure and maximizing utilization.
- Create and maintain documentation for Azure process, Best Practices ,Reports, SOP etc.

**Contractual Engineer (Payroll of Randstad Ltd.)**          Dec 2021 -  Dec 2022
**SIEMENS ENERGY Ltd. (On-Site)**                        Aurangabad,India

- Played a pivotal role in the Cloud migration project, assisting with the seamless transition of on-premises applications and data to Azure cloud.(Lift and Shift Migration for File share, Blob storage, VM's, Web servers ,etc)
- Provided Level 1 support for Azure cloud infrastructure, addressing and resolving issues related to virtual machines, network connectivity, and storage.
- Worked closely with the Azure support team to troubleshoot and resolve system outages and infrastructure issues, ensuring minimal downtime.
- Assisted in documenting migration processes, configurations, and issue resolutions for future reference and knowledge transfer.
- Engaged in daily system monitoring, evaluating the performance and availability of Azure resources, and addressing any performance-related issues.
- Offered support to end-users for basic Azure-related queries and issues, enhancing user satisfaction during and post-migration.

# Personal Projects on GitHub

### Azure-Data-Factory-Pipeline (ADF)

>Created an Azure Data Factory Pipeline which downloads a .CSV file into Azure Blob Data lake Gen2 and then loads it in SQL Database when triggered.

Link-https://github.com/ssquadri/Azure-Data-Factory-Pipeline

### Static-Website-in-Azure-Blob-SAS-Token

>A small static website will be hosted in Azure blob storage(Container) and then we will access it directly with URL and then generate SAS token and then access it again with SAS token

Link- https://github.com/ssquadri/Static-Website-in-Azure-Blob-SAS-Token

### Static-Website-hosted-in-VM

A static website will be hosted inside the IIS server in a Windows 2016 Virtual machine in Azure with public IP

Link- https://github.com/ssquadri/Static-Website-hosted-in-Azure-Virtual-Machine

### Azure-Static-Webapp

We are going to deploy a HTML code file named as index.html to Azure Static Web App and run CI/CD Pipeline through GiHub

Link- https://github.com/ssquadri/Webapp-Azure-Static

# Softwares Skills

- Cloud Platform: Azure & AWS
- IaC: Terraform
- Database: MySQL & MS SQL
- Languages: Python & SQL
- OS: Windows & Linux
- VCS: Git, GitHub
- Bi Tool: Power Bi

# Education

B.E (Electrical & Electronics)

MGM's Jawaharlal Nehru Engineering College, Aurangabad          2014 - 2018

(Dr.Babasaheb Ambedkar Marathwada University India)
